On Big Drawings

Something has happened to drawing. It has been snatched back from the amateur sketcher and the art school copyist; excused from the politeness of the drawing room and the perfunctoriness of the drawing-board.

Mark Rothko

Cat Lencke

The concept of Komorebi has inspired artists, poets and photographers alike as it embodies a serene and almost meditative quality. In many ways, komorebi reminds people to pause, observe and find beauty in everyday moments that might otherwise go unnoticed.

Julia Crocetto

Frack-tured

Iron Oxide (Wrench), Water, Land-Sat Imagery, Cotton; 55" x 44"
