The Evanston Art Center (EAC) is excited to welcome the public to our upcoming exhibition, *Walldrawings | Friedhard Kiekeben and Maria Burundarena*. The exhibition will be on display from April 25 - May 17, 2026, with an opening reception on Sunday, April 26 from 1-4pm that will be free and open to the public.

Walldrawings | Friedhard Kiekeben and Maria Burundarena creates immersive spatial experiences for the viewer through digital wall works made on inkjet-printed paper and pasted vinyl. The works invite contemplation and a multiplicity of views and readings. Artist Maria Burundarena was invited to create a dialogue with these works through reflective and mirrored spaces, LED light intervention, and pillar wrappings throughout the gallery.
